Congratulations

to our **2024 SCHOLARSHIP WINNERS**

The Baldwin County Home Builders Association awarded \$7,000 in annual scholarships to local students. Since 1997, the BCHBA has awarded scholarships to deserving students pursuing careers in the home building industry. Qualifying students must be enrolled in construction-related studies in a technical school or college. To date, the Association has awarded \$136,600 in scholarships to help students in Baldwin County prepare for careers in the home building industry. The Association is reaching out to students to encourage them to pursue a career in the building industry. We strive to assist them in their pursuit, whether it be as a builder, architect, engineer, plumber, carpenter, electrician, welder, landscaper, etc. There is a dire need for skilled individuals. The BCHBA's 2024 Scholarship Committee included William Hays - BCHBA President, Chris Farlow - State Director, National Delegate and BCHBA Charitable Foundation President, Debbie Crain - Associate Council Chairman and Marsha Jordan - Executive Vice President.

From L-R: Chris Farlow, BCHBA State Director and National Delegate; Jack Gregorius; 2024 BCHBA President William Hays, Lane Foster; Robert Brown, BCHBA State Director; Ben Alberstadt; Marsha Jordan, BCHBA Executive Vice President; Jackson Roberds; Cain Roberds, BCHBA Local Director

Ben Alberstadt

Ben plans to attend Auburn University and is majoring in Building Science. "Because my father works in the residential home building sector, I have been exposed to the many factors that effect both the builder and customer. I plan to work for a residential construction company to utilize my varied construction skills and industry knowledge that I gain while at Auburn." The son of Joe and Jennifer Alberstadt of Daphne, Ben is a St. Michael's Student Ambassador and is involved in the Suits for Students program and the Zuni Tribal Missions. He enjoys playing basketball and has worked for Four Lane Construction.

Lane Foster

Lane plans to attend Auburn University majoring in Building Science. "For as long as I can remember, my father and other family members have always had some kind of project going on; whether it be building a deck or fixing a bathroom faucet. What led me to find an even bigger passion for building was being able to venture out and build and fix things on my own." The son of Jeremy and Rachel Foster of Loxley, Alabama, Lane is a member of the National Honor Society and the Skills USA Program. Lane placed first in the Skills USA Carpentry District Competition and has worked for Blue Water Lumber. Lane enjoys golf and woodworking in his spare time.

Jack Gregorius

Jack is enrolled at Auburn University majoring in Building Science. "I have been working with a custom home builder for over three years and my favorite part of the job is getting to witness all the aspects of the building process coming together to create a final product that makes the dreams of the homeowner come true." The son of Tim and Haley Gregorius of Fairhope, Jack was inducted into the National Honor Society, is a member of Future Business Leaders of America and enjoys outdoor activities like hunting and fishing. Jack currently works for Frostholm Construction.

Jackson Roberds

Jackson plans to study Construction Engineering at the University of Alabama. "I grew up in Fairhope, watching my grandfather, father and cousin work in the building industry. I am excited about my future at the University of Alabama and my future career in the construction industry." The son of Cain and Jennifer Roberds of Fairhope, Jackson has represented Fairhope High School as a page in the Mississippi House of Representatives and has worked with FUMC Ministries rebuilding structures damaged by natural disasters in Florida and Colorado. Jackson is an avid tennis player and enjoys fishing. He has worked for C. Roberds General Contractors in the summer.
